Andrew, this is just an FYI update regarding our previous conversations about the Milorganite facility issue. The Region 5 Enforcement and Compliance Branch informed me today that they sent MMSD the final facility inspection report this Tuesday, and also issued MMSD an offer to enter into an administrative consent order which I hope they will accept. R5 mentioned that they are planning to meet with MMSD within the next two weeks to follow up.

If you need further information or would like to discuss further, just let me know. Thanks.

Phil
